

AUSMUN Conference Waiver Form

Section 1: Introduction

1.1 Purpose

The purpose of this document is to inform all participants in the AUSMUN conference of their rights and responsibilities during the conference. This document serves as a waiver form that participants must read and agree to before registering for the conference.

1.2 Agreement

By registering for the AUSMUN conference, participants agree to abide by all the rules and regulations outlined in this waiver form. Failure to comply with these rules and regulations may result in the participant being asked to leave the conference without a refund.

Section 2: Behavioral Procedures

2.1 Code of Conduct

Participants are expected to behave in a professional and respectful manner at all times during the conference. Any behavior deemed inappropriate or offensive, including but not limited to harassment, discrimination, or disruptive behavior, will not be tolerated. AUSMUN reserves the right to ask any participant engaging in such behavior to leave the conference without a refund.

2.2 Respectful Dialogue

Participants are encouraged to engage in respectful dialogue during the conference. Any behavior deemed to be disrespectful or disruptive to the conference proceedings, including but not limited to talking out of turn, interrupting other participants, or using inappropriate language, will not be tolerated. AUSMUN reserves the right to ask any participant engaging in such behavior to leave the conference without a refund.

2.3 Plagiarism

Plagiarism is strictly prohibited at AUSMUN. Participants are expected to submit original work and properly cite any sources used. AUSMUN organizers reserve the right to check for plagiarism as and when needed during the conference.

2.4 Use of AI Software

The use of AI software, including but not limited to ChatGPT, for the purpose of generating content or responses during conference activities is prohibited. Participants are expected to rely on their own knowledge and abilities for conference-related tasks and discussions.

2.5 Delegation Cancellation

AUSMUN reserves the right to cancel the participation of an entire delegation in the event of misconduct by any of its members. Misconduct, as defined herein, includes violations of the code of conduct or any other disruptive behavior that jeopardizes the conference's integrity. It is important to note that the severity of such cancellations will be solely at the discretion of the AUSMUN Executive Board and will be determined based on the extent of the violation.

2.6 Faculty Advisor Presence

At least one faculty advisor, who shall be full time serving teacher / staff at the institution, must be present on campus with the delegation at all times during the conference. Faculty advisors are responsible for the conduct and supervision of their respective delegations. Should the advisor not be found to be on campus when the delegates are present, AUSMUN Executive Board reserves the right to disqualify the delegation and ask the delegation to leave the premises immediately.

Section 3: Conference Logistics

3.1 Attendance

Participants are expected to attend all three days of the conference. Failure to attend all three days may result in the participant not receiving a certificate of participation. Exceptions to this rule may be made in special circumstances, such as illness or emergency, at the discretion of AUSMUN executive board members.

3.2 Conference Registration Accuracy

Schools must accurately register the number of students in their delegation. AUSMUN reserves the right to potentially disqualify schools that incorrectly register beyond their designated number of students. For instance, if a school registers for 30 students but submits payment for 50, the responsibility for the discrepancy rests with the school, and only the initial 30 students will be officially registered. It's important to note that once the registration form is submitted by institutions, it must be considered final.

Section 4: Photography and Media

4.1 Photography

By registering for the AUSMUN conference, participants agree to allow AUSMUN to use any photos or videos taken of them during the conference for promotional purposes.

4.2 Consent

Participants have the right to decline to be photographed or filmed during the conference. Participants who do not wish to be photographed or filmed must inform AUSMUN executive board members prior to the conference.

5.1 Confirmation Process

Faculty advisors and executive board members of AUSMUN have the authority to overrule or amend any section of this waiver form. Such confirmation will be obtained through a consultation process between AUSMUN executive board members and AUSMUN faculty advisors.
